GOVERNOR

Restoring the 10th Amendment

It's time to roll-back the federal government's power-grab and restore Idaho's sovereignty. I'm one of those rare politicians who believes the Constitution when it says, "The powers not delegated to the United States by the Constitution, nor prohibited by it to the states, are reserved to the States respectively, or to the people." That's why I've actively advocated for a strict interpretation of the Constitution regarding the 10th Amendment and voted against legislation that takes away power from the state of Idaho. I've also co-sponsored legislation like the SCRUB Act, to establish a commission to cut unnecessary federal rules and regulations that

unduly burden the States and their citizens.

Unfortunately, Idaho has become too reliant on federal handouts. This dependency weakens our economy and erodes our freedom. As governor, I'll restore the proper balance of power between Idaho and the federal government, honor the original intent of the Constitution and our founding fathers, and make Idaho more self-reliant.

"I'm one of those rare politicians who believes the Constitution."
