GOVERNOR

## Upholding the 2nd Amendment

“The right of the people to keep and bear Arms shall not be infringed.”

My support of the 2nd Amendment is anchored by a firm belief that it’s a God given, fundamental right and essential for our self-defense. In a world of constant turmoil, confusion, and strife, our right to keep and bear arms is more important than ever.

My unwavering defense of the right to bear arms has earned me solid support from state and national groups, including the National Rifle Association Political Victory Fund, Gun Owners of America, and Idaho Gun Owners of America.

As governor, you can count on me to forcefully guard our inalienable right to keep and bear arms, and to support Constitutional Carry.
