GOVERNOR

Stopping Illegal Immigration

Illegal immigration harms Idaho families. It suppresses wages, damages our economy, and makes communities less safe. I'm fighting to keep Americans safe by sponsoring bills like the Michael Davis, Jr. and Danny Oliver in Honor of State and Local Law Enforcement Act and the Criminal Alien Gang Member Removal Act. I've spent much of my career fighting for a modernized immigration system that puts the safety and security of the American people first by keeping illegal immigrants out of our country. I'm well known as a leader who's not afraid to tackle divisive issues like illegal immigration.

As chairman of the House Immigration and Border Security Subcommittee, I support President Trump's efforts to build the wall and will never vote for amnesty. As governor, I'll continue to fight to secure our nation's borders, enforce our immigration laws, limit the influx of refugees, and ensure Idaho has no sanctuary cities.

"I support President Trump's efforts to build the wall."
